Best Practice 1

To give training and guidance to the aspiring local boys and girls for the preparation of Police recruitment and Army recruitment. Date :

Context:

Our Institute is one of the leading Institutes in the field of Sports education. It is our duty to help and guide our local boys and girls for the preparation of Police recruitment and Army recruitment. We have all the facilities and required teaching skill to guide and help to the aspiring boys and girls. We guide them to improve their skills in running style, to improve the skills of short put, long jump and improve their physical fitness.

Objectives of First Best Practice:-

1. To provide guidance to the aspirant boys and girls who are preparing for the Police and Army Recruitment.
2. To provide college campus for the practice of running and other outfield.
3. To provide guidance for the physical fitness.
4. To guide aspirant boys and girls who preparing for the Police and Army Recruitment about their diet plan.
5. To provide continuous guidance and counselling to the aspirant boys and girls who preparing for the Police and Army Recruitment.

Practice :- It is one of the important practice carried out under the guidance of IQAC. We know that our locality is one of the tribal localities. Our district is one of the tribal districts in the Maharashtra region. The boys and girl are willing to join police and army department, but they do not get the proper guidance and counselling nor do they get the proper guideline for the ground preparation.

By understanding this problems our college take the initiatives to provide best guidance and physical training to the aspirant boys and girls who want to join police and army department. Our faculty member organises training sessions for these student. Under the observation and guidance of our teacher student give the physical examination.

Impact of the practice :

- a. Due to the continuous guidance to the student, some student qualified in the police recruitment
- b. It is the labour of our faculty member that some student are continue in doing their practices on the ground.

Resources required:

- 1) Sports ground
- 2) Sports equipment
- 3) One to one guidance on the sports field.

Best Practice 2

Blood Donation Awareness Program

Date :

Context:- Our mother body is well known for the social activities. Our big inspiration is Freedom fighter Late Jawaharlal Darda who spent his life for the reformation of society. Walking on his showed path our Institute organises various awareness program. Blood donation awareness program is one of the best program organises by the IQAC on each academic year. We organises blood donation program and the awareness drive in the college and local area nearest of the college.

Objectives of Best Practice:-

1. To create awareness among the student about the blood donation
2. To organise blood donation camp
3. To motivate our student to donate blood in the blood donation camp organises in various places in Yavatmal
4. To make aware the student about the benefit of the blood donation.

Practice :-

Blood donation is one of the best donation, it save the life of the many needy people. Keeping this thing, our Institute organises blood donation camp on each academic year. We guide our student and our student creates awareness in the nearest local area of the college about the benefits of blood donation. It is one of the best activities that directly creates the sensitivity among the student about the social welfare.

We organises blood donation camp in the college campus with the coordination with other supportive institute such as JDIET Yavatmal, Lokmat paper etc. Our student and staff actively take participation in the blood donation camp.

Impact of the practice :

1. Student became aware with the benefits blood donation
2. The habit of blood donation form in the student
3. The habit of blood donation is also form in the faculty of the college.

Resources required:-
